Stuart is a small mouse living in a big world. To show this, the author describes the size of things repeatedly throughout the story. Can you find at least five words which describe size in Chapters 3 and 4?

*Answers will vary.*
Understanding the Story - Answer Key
Chapters 3 - 4

Multiple Choice

1. What is Snowbell thinking about when Stuart enters the room in Chapter 4?
(a) The days when he was a kitten.
(b) His next dinner.
(c) Chasing mice.
(d) The sunny spot by the window.

2. Which of the following circus performers does Stuart act like in Chapter 4?
(a) A clown.
(b) An acrobat.
(c) A lion tamer.
(d) A ring leader.

Short Answer

3. How does Stuart try to prove to Snowbell that his stomach muscles are strong? What happens as a result?

Example - Stuart tries to prove that his stomach muscles are strong by imitating an acrobat on the ring of the window shade. Unfortunately for Stuart, the window shade snaps up to the top of the window, rolling Stuart up inside it.

Long Answer

4. Based on Chapter 4, what kind of relationship do you think Stuart and Snowbell have? (Use examples from the story to illustrate your answer).

Example - Stuart and Snowbell do not like each other very much. They are competitive with one another and Snowbell in particular is not very nice to Stuart. This is illustrated when Snowbell does not help Stuart out of the window shade and instead makes it seem that Stuart has gone down the mousehole.

Imagine you are a mouse living with a human family. What do you think would be the hardest thing about being so small?
